

The scatter plot displays the annual number of publications from 2000 to 2013. The x-axis is labeled with years from 2000 to 2012 in increments of 2. The y-axis represents the count of publications, with major grid lines at intervals of 10, ranging from 0 to 100. The data points are blue dots. There is a significant increase in the number of publications starting around 2011, with a peak in 2013 at approximately 105 publications. The data points for 2013 are clustered at the top right of the plot area.
