

The scatter plot displays the annual number of publications from 2000 to 2016. The x-axis is labeled with years from 2000 to 2016 in increments of 2. The y-axis represents the count of publications, with major grid lines at intervals of 10 (10, 20, 30, 40, 50, 60, 70, 80, 90, 100). The data points are blue circles. There is a notable peak in 2007 with 90 publications. Another significant point is in 2016, with approximately 55 publications. The majority of the data points fall between 10 and 40 publications per year.
